PLAN IN SUPPORT OF PSB APPROVED PLAN

Upon receipt by CIA of a PSB Approved Plan, the following procedure will be adhered to:

1. OPC will advise the Ad Hoc Committee on Covert Activities of receipt of the PSB Approved Plan.
2. OPC will prepare and submit to the Committee for provisional policy clearance, an outline of proposed covert actions to be undertaken in support of the PSB Approved Plan.
3. Upon receipt of policy clearance, OPC will prepare and, where necessary, submit to the Committee detailed implementation plan for coordination with the Departments of State and Defense and the JCS.
4. Upon approval, OPC will forward its implementation plan to appropriate OPC field stations for preparatory measures and/or action. The initial action to be taken in areas of military responsibility will be for OPC through its field personnel to present this plan to the Theater Commander. The Theater Commander will first determine how much of the plan can be executed with resources under his control. Logistical inadequacies limiting execution of important aspects of the plan will be reported by the Theater Commander and the OPC field representative to their respective Washington headquarters.
